IFSC TV Rights Policy

The IFSC is the owner of all broadcasting rights at all IFSC Events. As owner of all the footage streamed or broadcasted during the IFSC events, the IFSC is willing to give Event Organisers and accredited Broadcasters (TV and Online) a clear and simple policy regarding IFSC event filming.

BROADCASTERS ON-SITE	PERMISSIBLE PRODUCTION	VIOLATIONS
Broadcasters shall register through the online media accreditation form: http://www.ifsc-climbing.org/index.php/media-centre/media-accreditation	The IFSC produces news edits, dope sheets and shot lists after each final for news purposes. They are uploaded on the IFSC media ftp: ftp://ftp.ifsc-climbing.org/ User: media Pass: climbing2018 Materials are typically uploaded within 6 hours after each final. This content can be used for free up to 3 days after the events. After this time, additional use will be subject to license fees.	Any use of IFSC delayed content is subject to license fees and shall be negotiated with the IFSC prior to the use of the footage.
Once a media accreditation is granted by the IFSC, Broadcasters will be allowed to access the Mixed Zone and Media Zone and film the venue and athletes not climbing throughout the event. Broadcasters can film athletes climbing during Qualifications ONLY.	Filming Semi-Finals and/or Finals is NOT permitted. Qualifications may be filmed, but total footage used must be no greater than 5 minutes per discipline, and the IFSC event, discipline and round where the footage came from must be clearly stated.	If content is uploaded without the IFSC's permission on YouTube or any other platforms, the IFSC will claim for removal and/or monetization of the content.
Broadcasters must wear their press badge and press jacket during events (provided by the Event Organizers).	If Broadcasters desire additional footage of the competition, they must negotiate license fees with the IFSC at least 7 days prior to the event.	If Broadcasters film or LIVE broadcast IFSC events without prior authorization of the IFSC, the IFSC will claim for removal and/or monetization of the content.
At any given time, the IFSC Communications Team and IFSC Technical Delegate may issue additional requirements at the event.	Questions regarding the TV Rights Policy should be discussed with the IFSC before the events.	TV Rights Policy violations may also result in withdrawal of media accreditations and restricted access to IFSC events or IFSC media materials.
